

BE THE FUTURE

## Class of 2010

*Office of Alumni Relations & Development*

July 16, 2010

Dear graduates of class of 2010 - fellow alumni,

Congratulations on reaching this important milestone in your life! Your graduation marks the beginning of a life-long relationship with your College, as you have just joined "the American College of Greece alumni family" of more than 33,000 alumni of all ACG divisions. Please find enclosed a CD of your commencement video offered to you as a memento of a beautiful ceremony.

All ACG students, upon graduation, are **automatically enlisted** in the ACG alumni database at the Office of Alumni Relations & Development which constitutes a department of Institutional Advancement. As an alumnus/a, you can still remain an active member of the College community by participating in events and activities of your choice, as well as by enjoying the services offered to you by your College, including:

- Free use of your ACG e-mail account for life
- Participation to alumni events, such as reunions, sports homecomings, exhibitions, networking gatherings, cultural events, panel discussions, happy hours, etc
- Free subscription to the ACG alumni magazine
- Free use of career services
- Use of the ACG athletic facilities and libraries at a fee

In order for us to be able to keep you posted on developments at the College as well as on alumni news and activities, please make sure that you update your contact details as needed either on-line ([www.acg.edu/alumni](http://www.acg.edu/alumni)) or by calling our office. If you no longer plan to use your ACG e-mail account anyway, just send us your new e-mail address.

So check the ACG site regularly, "**stay connected**" and exploit the benefits of being part of a strong alumni network enjoying every opportunity to reconnect and reunite with your alma mater and your fellow alumni! You can join us on facebook too at "The American College of Greece Organization", the official facebook page for alumni, faculty, students and friends.

Wishing you every success in all your future endeavors,

Claudia Carydis (PC '81, DC '84)
